

Satan the Prince of Pride

God called Satan the prince of pride and he is arrogant beyond human comprehension. GOD spoke of his beauty, his wisdom, that it exceeded all the angels in heaven. He was lifted up inside himself because of his beauty and the wisdom that GOD had given him.

I want you to think of the most pride filled personality you have ever encountered, the most arrogant personality you have ever had the displeasure of meeting. Those personalities possess only a fraction of the source of extreme ungodliness, the father, the grand daddy of it all, his name is Satan.

GOD told Satan that his pride and arrogance would cause his own destruction. By his own arrogance he would shoot himself in the foot, he would kick himself in the blank, and he'd cut his own throat. The LORD told him he would be the source of information that would expose his weaknesses, and he would be the source of information to help in his own destruction.

Satan has exposed and damaged himself influencing men, using them without them ever being conscience to writing PARODY'S OF THE BIBLE in film media -STAY TUNED!

We are going straight for Satan's throat in this letter because that is what he did to humanity. GOD told satan in the Garden of Eden his END, in the BEGINNING.

(and the lord said unto the serpent, because thou hast done this, thou art cursed above all cattle, and above every beast of the field; upon thy belly shalt thou go, and dust shalt thou eat all the days of thy life: and I will put enmity between thee and the woman, between thy seed and her seed, it shall bruise thy head, and thou shalt bruise his heel.

GEN. 3:14-15

How will God bruise Satan's head?

Thou wentest forth for the salvation of thy people, even for salvation with thine anointed; THOU WOUNDEST THE HEAD out of the house of the wicked, by discovering the foundation unto the neck.

Habakkuk 3: 13

So we see GOD will expose Satan and his kingdom from top to bottom and how it is set up; their weaknesses, and how they will be destroyed. We will be giving out some information now but there's a lot more to come.
