

## ***Location of our soul and spiritual heart***

We see from these scriptures that the focus was on the **breath of life**.

Lets prove that we have the spirit of LIFE in our blood. *GEN. 2: 7 (and the LORD formed man of the dust of the ground, and BREATHED into his nostrils the **BREATH OF LIFE**; and MAN BECAME A LIVING (SOUL).*

The breath of life plus the physical parts of man, made man a living soul. We see the **LORD** breathe the breath of LIFE into man. Webster's dictionary says the word **breath** means *(spirit, animation) Webster's definition of soul is: The immaterial essence, animating principle or actuating cause of an individual life.* **GOD** breathe spirit or animation into mans nostrils and man became a living soul.

For example, when we intake air into our nose or mouth, we take it from that point to our lungs, then our lungs transfer the air to our **BLOOD STREAM**. Our bloodstream flows to all parts of the body giving it life, (animation). So when **GOD** breathe the BREATH (SPIRIT OF LIFE.) INTO MAN, the spirit of life is located in the BLOOD.

Remember *Deuteronomy 12: 23-25*, **GOD** said the **BLOOD is the LIFE**. Spirits live in our **BLOOD** and the spirit of life in our blood is circulated to every fiber of our fleshly being. It flows through our brain and through the five senses giving us life mobility.

Lets look at another type of spirit that dwells in our blood.

The character spirit. We'll be looking at the story of Cain and Abel.

*10) and he said, what hast thou done? the **VOICE** of thy brother's blood, crieth unto me from the ground. 11) And now art thou cursed from the earth, which have opened her mouth to receive thy brother's blood from thy hand.).*  
**GEN. 4:10-11**

We know when we speak it is our spirit that speaks, or a spirit that speaks. Christ rebuked SATAN speaking through PETER; he was talking to the unclean spirit that was SPEAKING through PETER. Christ was not addressing the fleshly man. He was addressing the spirit and called that spirit by name SATAN. Also when **CHRIST** commanded the unclean spirits to come out of men, the SPIRITS SPOKE (they were a voice). So we look at Abel, slain and his spirit spoke to **GOD** from the **blood** on the ground.

*(By faith Abel offered unto **GOD** a more excellent sacrifice than Cain, by which he obtained witness that he was righteous, **GOD** testifying of his gifts; and by it he **BEING DEAD YET SPEAKETH.**)*  
**HEBREWS 11: 4**

We have the spirit of life (soul) in our blood; we have character spirits that form our heart (our personality) that is also located in our blood. And unfortunately our body's blood system is excessable to foreign spirits. Satan is after the spirit of LIFE (our soul) in our blood, (*John 10:10*) *the thief cometh but for to steal, kill, and destroy.*

This is why Satan fights so hard to dwell in humans and animals. THE SPIRIT OF LIFE IN OUR BLOOD IS WHAT THESE EVIL SPIRITS THAT ARE SEPARATED FROM GOD, AND HIS ATTRIBUTES (LIFE) NEED. THEY NEED THE SPIRIT OF LIFE TO LIVE AND SUBSIDE THE EXTREME PAIN THAT THEY ARE IN.

Satan and those angels were dead after total separation from GOD. When they died they died an IMMORTAL DEATH, not the death like humans experience.

These angels are totally separated from GOD and IN HIM was LIFE. Being dead, and DEATH is the absent of LIFE (JOY, PEACE, LOVE, HAPPINESS ETC). They were in EXTREME TORMENT.

The second death mentioned in the Revelation is eternal death, an immortal death, the lake of fire. Do you remember in *Luke 11:24* when they did not want to be cast out of the man into the deep? HELL is eternal separation from GOD, also the attributes and benefits of GOD.

So now we understand why it is so hard for some people to get their flesh under control and so hard for some people to break UNGODLY HABITS. Once these **unclean spirits** enter into man it is hard to expel them because they are fighting for there LIFE, AND RELIEF FROM EXTREME PAIN AND SUFFERING.

They piggyback off of the spirit of life in our bodies. Stealing and consuming life (energy) subtracting from the quality of life GOD gave us in the Garden of Eden. These spirits Dwelling in the BLOOD, destroy the body with sickness and diseases, then finally draining the spirit of life killing man and moving on to the next victim that they can use to sustain them.

The more souls they consume (spirit of life, energy,) the more powerful they become. This is why our soul must be redeemed.
